Catherine Houser, librarian for the past 18 years, resigned in April. A farewell reception was given her in the Town hall which was largely attended by townspeople; several members of the Public Library Commission were also present.

The librarian and Mr. Robert Frame, of the Board of Library Trustees, attended the Neighborhood Librarians' Meeting of District No. 12, held in Pittsfield, June 6. Mr. Frame gave a talk on "The Library in the Community."

The afternoon program for the Old Home Day Celebration, August 17, was under the direction of the Library Trustees, and centered about Maria E. Elkins, donor of the library, whose portrait, by the late Leo Mielziner, was unveiled.

During the past year a Shelf-list Catalogue of the adult and juvenile fiction has been made, using the Dewey System.

Many worthwhile books have been added and over 20 magazines are subscribed for. A "Timely Topics Table" has recently been introduced to create more interest in reading books on popular subjects.

AUDITORS' REPORT

---

We, the undersigned appointed auditors, for the Town of Canterbury, for the year ending January 31, 1936, have examined the books and accounts of the various Town officers and find them correct, with the following reservations:

There is no report from the Road Agent.

The books of Tax-Collector Sam W. Lake acknowledge receipt of one item of \$20.00 which through an error was not paid in to the Town treasurer with the receipts of 1935. This now has been done and will appear in the next annual report of the Town treasurer.

The accounts of Tax-Collector Ralph Noyes apparently are correct. His report that \$1,368.26 was paid to the Town treasurer is verified by the records of the treasurer. This amount however, includes interest, etc., and can not be compared with the amount committed. The account is so involved that a complete audit from February 1, 1934 should be made before the books are closed for the next year.

Respectfully submitted

REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the School Board and Citizens of Canterbury:*

I herewith submit my second annual report as superintendent of schools.

The organization of the Tilton-Northfield Supervisory Union remains the same as last year, consisting of the school districts of Tilton-Northfield, Belmont, Canterbury, Gilford and Gilmanton. There are forty-six teachers and nearly twelve hundred pupils in the union.

The following is a comparison of certain records for the school year ending June 30, 1935 with those of the year previous.

	1933-34	1934-35
No. of schools	5	5
No. of pupils registered	98	83
Average membership	86	79
Per cent of attendance	89	94
Cases of tardiness	377	153
No. pupils not absent or tardy	3	8
No. pupils transported	9	13
Visits by superintendent	64	97
Visits by citizens	293	223
Visits by board members	8	8

Last year showed a marked drop in the number of tardinesses and a decided increase in the per cent of attendance. These are decided improvements. Eight pupils had perfect records in attendance for the entire year and are deserving special commendation.

At this writing there are eighty-five (85), pupils enrolled in our schools. The Uplands, which has an enrollment of only seven (7), is our smallest school.

Closing exercises for all schools were held jointly on the evening of June 13, 1935, at Canterbury Center. The pro-

gram was presented entirely by the pupils under the direction of the teachers. Unfortunately illness interfered somewhat with the plans. The bringing together of all the children in the district for such an occasion seemed a worthwhile project.

Diplomas were presented those pupils completing the eighth grade work and who were qualified to enter high school. The following were the graduates:

*Center*

Thelma Briggs  
Nelson B. Lamprey  
Wilmer A. Rule

*Carter*

Edith A. Nelson

Only one of these pupils found it possible to enter high school in September.

There has been only one change in our teaching force within the year. Mrs. Sarah Stone Hill of the Kezer School resigned in June and was succeeded by Miss Helen Ericson of Concord, a teacher of several years experience.

There are now eleven (11) Canterbury children attending high school, five (5) at Concord, five (5) at Penacook and one (1) at Henniker. This is a decided drop in number from last year when there were twenty-five (25) children in attendance.

The Uplands, Center, and Blanchard school rooms present a much more attractive appearance. The walls and ceilings of these schools have been repainted. Much should be done to the Carter school to make this building satisfactory. The School Board recommends a special appropriation to put this building in shape. The present entrance should be a part of the school-room, additional windows should be installed, and a new entrance added to the building, so arranged that there would be access to the shed and toilets without going out of doors.

## FINANCES

The following is a comparison of the budget as proposed by the school board for the next school year with that which was adopted a year ago for this current year:

	1935-36	1936-37
Teachers	\$4,090.00	\$4,050.00
Text-books	112.50	112.50
Scholars' supplies	112.50	112.50
Flags	3.00	3.00
Other expenses of instruction	20.00	20.00
Janitor service	135.00	135.00
Fuel	175.00	175.00
Janitors' supplies	30.00	30.00
Minor repairs	225.00	225.00
Health supervision	164.64	157.70
Transportation	765.25	855.00
Salaries—officers	115.00	115.00
Truant officer and school census	25.00	25.00
High school tuition	2,000.00	1,200.00
Administration	75.00	75.00
Superintendent's salary	203.52	183.58
Per capita tax	262.00	224.00
	<hr/>	<hr/>
Total	\$8,513.16	\$7,698.28
Deduct estimated income (State aid)	1,699.65	1,946.03
	<hr/>	<hr/>
	\$6,813.51	\$5,752.25
Special appropriation recommended		300.00
	<hr/>	<hr/>
Total assessment required	\$6,813.51	\$6,052.25

The total appropriation recommended by the school board is about \$750 less than the amount appropriated a year ago. This is due to the reduced appropriation recommended for high school tuition.

Your attention is called to the financial statement made by the school board, covering this current fiscal year up to January 31. A sizeable balance at the end of the year is probable.

I wish again to thank the teachers and the school board for their hearty cooperation.

Respectfully submitted,

CHANNING T. SANBORN,  
*Superintendent of Schools.*
